

## 2009 VPM Client Summit Agenda

12:30 Registration

1:00 Welcome

**1:15 Keynote: Reform 3.0 – Transforming Regulatory Reform into Opportunity**

Much has been written about the challenges of the current investment environment, but with challenge comes opportunity. What is your game plan? How will you drive your business forward? We will discuss opportunities for the Alternative Investment community created by the proposed regulatory reform and how understanding technology and operations requirements can help you capitalize on these opportunities. Key Topics Include: OTC Clearing, Managed Accounts, Registration & Transparency Requirements. *Presenter: John Avery*

**1:45 VPM Product Updates: Roadmap Through 2010**

Current plans for ongoing enhancements to VPM: product goals, specific enhancements and expected benefits to VPM clients. *Presenter: Scott Alintoff*
