

Magnify your view of the market through *our* lens

WHO IS ASTEC ANALYTICS & WHAT DO WE DO?

SunGard's **Astec Analytics** specializes in **market information solutions** for the global securities financing industry. Leveraging an expansive database of daily securities lending transactional data, Astec provides analytic **solutions for trading, performance measurement, and program management**. Established in 1980, Astec serves over 30 financial institutions and processes over 2.4 million transactions each trading day, tracking more than 29,000 unique securities on loan. Trademark services include Lending Pit, ShortSide.com, Lender Reviews, and Securities Lending Market Research Reports.

A hand holding a magnifying glass over a line graph on a document. The graph shows a fluctuating line with several peaks and troughs. The background is a light blue gradient.

WHAT IS ASTEC'S COMPETITIVE ADVANTAGE?

Industry Expertise

Astec has the experience and knowledge needed to identify critical trends within the securities lending industry, as well as the technological know-how to produce timely and user-friendly data resources.

Comprehensive Information

The size and scope of Astec's securities finance data set allow for thorough and thoughtful benchmarks.

Timely Reporting

Daily data is available around 7:30 each morning. Applications leverage this daily data and provide sub-second response times to crucial pre-trade queries.

State-of-the-Art Technology

Astec's world-class database infrastructure and application design is 100% built, owned and maintained by SunGard

Pledge of Confidentiality

Confidentiality of customer information is the foundation upon which Astec has built its business. Our clients can feel safe that Astec has years of experience in guarding the confidentiality of our customers and their information.

Integration Capabilities

Astec services integrate with SunGard's other leading solutions for U.S. and international securities finance, including the Loanet and Global One real-time interactive securities finance solutions, and the Martini real-time global trading platform for bond and equity securities financing.

IN WHAT BUSINESS AREAS CAN ASTEC'S SERVICES BE USED?

- Beneficial Owners
- Lending Agents
- Third Party Agents
- Broker/Dealers
- Institutional Investment Managers

“Delivery of the most up-to-date data available puts you firmly in the driving seat”
