Printers & Supplies

Printers & Supplies

SunGard delivers “one-stop-shopping” for printers, MICR toner cartridges, blank check stock, and other supplies. We offer only the highest quality MICR printers and supplies, to ensure you produce finished documents that meet the most stringent of quality standards.

Read about our printers and supplies below.

Printers

You can find a spectrum of high quality MICR laser printers and accessories to meet every business need at SunGard. Our sales team can work with you to determine the perfect combination of MICR check printer, blank check stock, MICR toner, accessories and support required.

MICR Laser Printers

We know that producing payments and generating critical accounting documents is essential to the success of your business. SunGard dedicated MICR laser printers range in scale from meeting the needs of the small business to the speed and volume requirements of the corporate enterprise.

Purchase your printers from a vendor that has offered turnkey MICR paymentprinting solutions since 1987. To view a data sheet comparing capabilities, just click on any one of the printers below.

Our Standard: The Dedicated MICR Line

SunGard Dedicated MICR laser check printers offer standard security and quality MICR check printing at an affordable price to meet low to mid-range volume requirements. All MICR printers are provided with an original manufacture MICR toner cartridge, a MICR guarantee, and a 2-year SunGard warranty. Standard features include secure MICR fonts, low toner sensor, copy count to one and a jam recovery control.

SUNGARD ST9512 – 30 ppm

Economical payment production for desktops and print groups with moderate print volumes. USB or parallel connectivity. Standard 250 sheet input, 150 output capacity, maximum 550/150. 1 input tray, 1 output tray standard. 32mb memory upgradeable to 160mb. Network capable.

The Next Level: The Secure MICR Line

SunGard SECURE MICR laser check printers offer the quality you've come to expect from our dedicated printers, but add increased capabilities and enhanced features to guarantee greater security and functionality in processing payments.

These printers have been enhanced to include a front panel MICR menu, support and security lock. Flexible enough to support both MICR and non-MICR printing, features include data encryption, tray protection, and a printer level password. For greatest security, paper drawer locks for blank check stock are also optionally available. Offering greater processing speed, volume capacities, and built for extended duty cycles, our SECURE MICR laser printer line is scaled to meet higher volume payment production needs.

Now Offering More Options: HP MICR Printing

SunGard HP MICR laser check printers provide the same capability for high caliber check printing that is built in to all our products. Our new HP MICR printer line offers flexible printing options by supporting HP MICR toner and standard HP toner cartridges, and comes with the added security of the TROY MICR trademark.

HP LaserJet 4250 MICR Printer - 45ppm

This high performance printer is network ready and able to handle the high demands of large work groups. Standard 600/300 input/output capacity, maximum 3100/800. 2/2 input/output trays can be expanded to 5/2. 48mb memory standard, scalable to 512mb. Up to 600x600 dpi. Network capable. USB or parallel.

HP LaserJet 9050 MICR Printer - 50 ppm

Perfect for the office that needs high volumes in a short time, this printer delivers a substantial standard 1000/600 input/output capacity, scalable to a maximum of 3100/3600. 2/1 input/output trays can be expanded to 3/2. USB or parallel. 64mb memory standard, upgradeable to 512mb. Up to 600x600 dpi. Network capable.

HP LaserJet 4350 MICR Printer - 55ppm

As the fastest printer we offer, the HP LaserJet 4350 features increased memory and 600x600 dpi standard for higher volume needs. USB or parallel. Standard 650/300 input/output capacity, maximum 3100/800. 1/1 input/output trays can be expanded to 5/2. 80mb memory standard, scaleable to 512mb. Up to 600x600 dpi. Network capable.

Ask about our 2-year MICR printer warranties - SunGard still supports our MICR laser printers long after competitor's warranties on comparably equipped MICR printers have lapsed.

Also be sure to ask about our MICR Guarantee. It represents our assurance to you that your SunGard-configured MICR laser check printer will produce documents that meet all MICR guidelines.

For more information, or for an analysis of your printing needs and printer recommendation, email support@payformance.com or call us at +1.800.829.1521. To purchase a printer today, call us at 1.800.829.1521.

Supplies

We understand your time is valuable, which is why we provide the convenience of "one-stop-shopping" for all your business check-printing needs. All MICR toners, accessories, blank check stock, forms and envelopes meet strict quality standards because they are all backed by our MICR Guarantee. By using our supplies, you are ensured that your checks will meet ABA MICR specifications - every time.

Read about our MICR toner, accessories and check stock options below.

Toner

MICR TONER is available in stock to use with our SunGard Printers, Lexmark MICR Printers, and TROY/HP MICR check printers. All our MICR(Magnetic Ink Character Recognition) toner cartridges are specifically designed to provide the highest quality MICR documents and to exceed ANSI and ABA banking standards. You can't print checks without it! We believe so strongly in the quality of our MICR toner cartridges, we back them with a 1-year full warranty. Any cartridges that have mechanical or readability issues will be fully replaced within a year of purchase. A few of the models we offer are listed below; if you don't see yours, give us a call, we probably have it!

Accessories

PRINTER ACCESSORIES. Increase the capacity of your printer and increase your productivity. Extra printer input and output paper drawers allow you to print more pages without having to reload the paper or remove prints from the machine. You can also purchase input drawers to have dedicated just to your check stock! These drawers are easily added as a unit to your current printer. SunGard also offers trays to replace those built into our printers.

Standard drawers holding 500 sheets and high capacity drawers holding up to 2000 sheets are available. We offer many models in addition to the ones listed below.

Printer Accessories:

HP/TROY 8100/8150 2K Input Tray
