

### **Prototype Annual Maintenance Program (PMP)**

With each prototype plan you purchase, comes an annual maintenance program designed to assist you in keeping your prototype current with IRS-required language modifications. Also, this program includes:

- Unlimited telephone technical assistance for the use of the prototype document for one contact of the SPONSOR or THE COMPANY
- A coupon for 50% (maximum value of \$400) off one registration for any SunGard Relius technical seminar or conference during the applicable maintenance plan year

#### **Cost**

The annual maintenance fee is \$695. The prices listed on the Prototype Order Form cover the prototype plan documentation ordered, plus the first year's annual maintenance fee.

#### **Online Renewal**
