About SunGard

SunGard is one of the world's leading software and IT services companies. SunGard serves more than 25,000 customers in more than 70 countries, including the world's 25 largest financial services companies.

SunGard provides software and processing solutions for financial services, higher education and the public sector. SunGard also provides disaster recovery services, managed IT services, information availability consulting services and business continuity management software.

With annual revenue exceeding \$5 billion, SunGard is ranked 472 on the Fortune 500 and is the largest privately held business software and services company on the Forbes list of private businesses. Based on information compiled by Datamonitor*, SunGard is the third largest provider of business applications software after Oracle and SAP. Continuity, Insurance & Risk has recognized SunGard as service provider of the year an unprecedented five times. For more information, please visit SunGard at www.sungard.com.
