

On-Demand Service

Enter a checklist or adoption agreement, and submit it online for processing. Get your plan document package back within minutes. No subscription fees. You only pay for the plans you want, when you want them and at a reduced rate compared to the **Premium Fax/Mail Service**. You simply answer the questions on the screen, hit submit, and you're done.

Your document package will be sent back to you in Microsoft Word, so you can make modifications if needed, or Adobe Acrobat PDF format. Also, you can have your packages sent back to your e-mail address (or anyone else's) or posted to SunGard's Relius FTP site in an executable or zip file.
